

## ARTICLE III - USE OF PUBLIC SEWERS REQUIRED

### Section 1. Unsanitary Placement of Wastes

It shall be unlawful for any person to place, deposit, or permit to be deposited in any unsanitary manner on public or private property within the City or in any area under the jurisdiction of the Authority any human or animal excrement, garbage, or other objectionable waste.

### Section 2. Unlawful Discharge of Wastes

It shall be unlawful to discharge to any natural outlet within Peachtree City, or in any area under the jurisdiction of the Authority, any sewage or other polluted waters, except where suitable treatment has been provided and only after receiving the necessary permits and approval from Georgia Environmental Protection Division.

### Section 3. Unlawful Disposal of Wastes

Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of sewage where public sewers are available.

### Section 4. Suitable Facilities Required

The owner of all houses, buildings, or property used for human occupancy, employment, recreation, or other purposes, situated within the City and abutting on any street, alley, or right-of-way in which there is now located or may in the future be located a sanitary sewer of the Authority, is hereby required at his expense to install suitable toilet facilities therein, and to connect such facilities directly with the proper public sewer in accordance with the provisions of this Ordinance within ninety (90) days after date of official notice to do so, provided that said public sewer is within one hundred (100) feet of the property line.
