

Bidder Questions #2

Peachtree City WASA

Peachtree Court Sanitary Sewer

(Bid Date: April 1st, 2025)

1. Can we close Peachtree court down to do our work?
Traffic control will need to be coordinated with Peachtree City's Engineering department. Access to the existing facilities along Peachtree Court must be maintained.

2. What is the engineer's budget for this project?
The Engineer's estimate will not be disclosed as part of the bidding process. Bidders are encouraged to submit their most competitive pricing based on the plans and specifications provided.

3. What is the potential NTP date?
Award recommendation will be presented at the April 15th board meeting. Notice to proceed expected shortly after.
